

23-27 AUGUST 2021

# TECH TRANSFER COURSE

## LOCATION

3Square  
Room L'Echo  
Rijvisschestraat 124  
9052 Zwijnaarde

## TOPICS

Explore how to transform top science into tangible products together with VIB's Innovation & Business team. During this hands-on training you can work on a business case for your own (hypothetical) start-up.

### INTELLECTUAL PROPERTY

- Patentability requirements and freedom-to-operate
- Writing and filing of a patent application
- Prosecution up to grant

### BUSINESS DEVELOPMENT

- Public private partnerships
- Contracting MTAs and CDAs
- R&D collaborations and licensing

### NEW VENTURES

- Building a successful business
- Fundraising
- Company valuation

## REGISTER

Before 15 July 2021 via  
[training.vib.be](https://training.vib.be)

**AWARD FOR THE BEST  
BUSINESS CASE PITCH!**

SCIENCE MEETS LIFE
