

## Route description

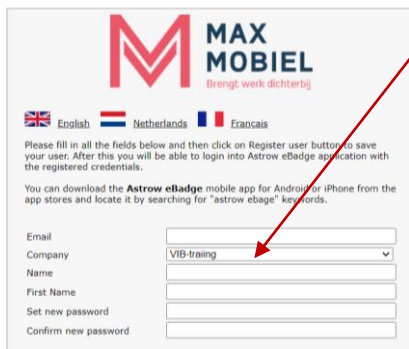

VIB-UGent FSVM II Research Building (Locus) – Technologiepark 75 – 9052 Zwijnaarde.  
You can find a route description via [this link](#).

### By car

The access to Technologiepark has recently been changed. The only access is via the Ovonde (the large roundabout on the N60). When entering you will have to take a ticket at the barriers. You can have this ticket validated at the reception, so you can drive out in the evening without paying. Parking is only allowed on the spaces provided and in the parking tower.

### By public transport

There is a free shuttle bus service between Gent Sint-Pieters station and Technologiepark. To make use of this service you will need to register **a few days in advance** via this link: <https://max-mobiel.be/src/Frontend/Files/MediaLibrary/10/qrcode-ardoyen.pdf>. Please choose 'VIB Training' as Company (see screen shot), so that we can approve your request.

### Where to find the Shuttle bus at Gent Sint-Pieters station?

## Shuttle bus drop-off points / boarding points

**Drop-off points** (to be used in the morning) are located on the **green line**.

Drop-off point 1: opposite the iGent building

Drop-off point 2: Syngenta

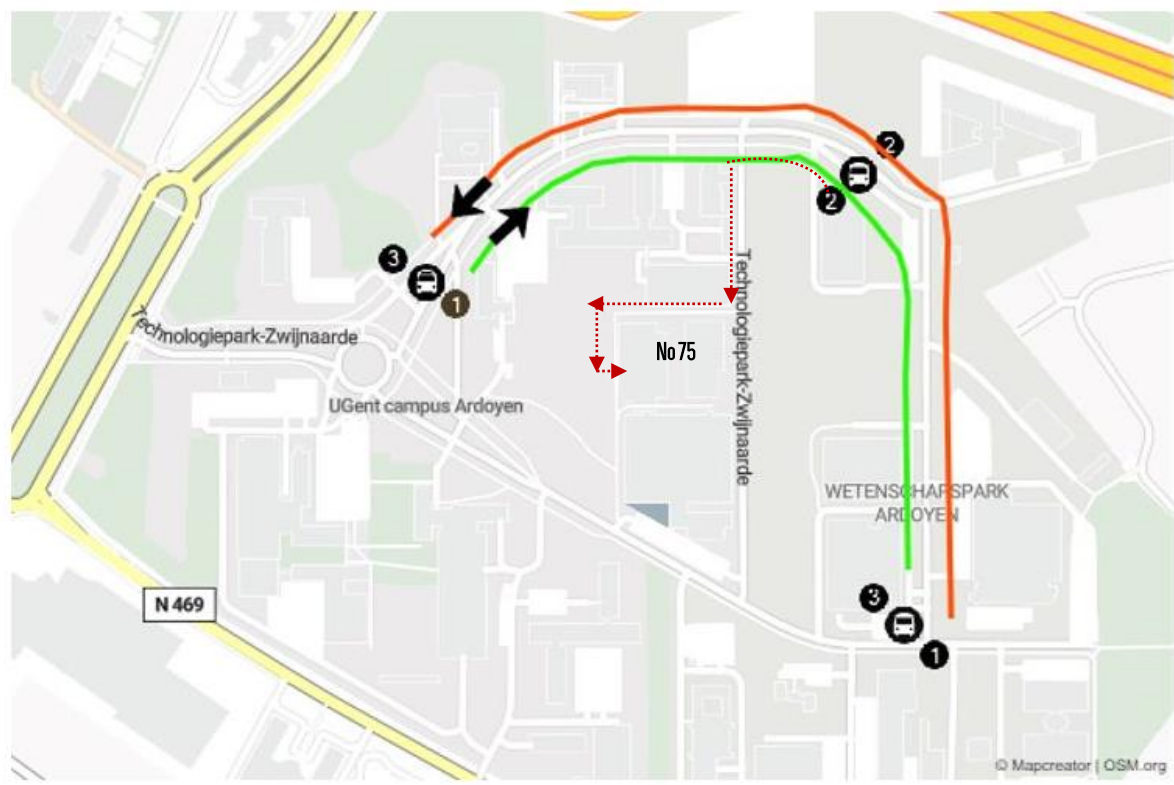

Drop-off point 3: Entrance BASF

**Boarding points** (to be used in the evening) are located on the **red line**.

Boarding point 1: Entrance BASF

Boarding point 2: Bus stop at the Bio-Accelerator

Boarding point 3: On the side of the iGent building, a few meters further

Below is a map of Technologiepark and 2 images of the building. The workshops will take place in room L4, which is on the 4<sup>th</sup> floor (*go left after you leave the elevator on the 4<sup>th</sup> floor*). All catering will be available in the kitchenette on the 5<sup>th</sup> floor. May we ask to please put the dishes in in the dishwasher after the breaks.
